

Jamie Carragher Reveals the Cost of his Obsession with Winning

Jamie Carragher is a football pundit and a former defender for Liverpool Football Club. During his 17-year football career, he remained at Liverpool FC to become the club's second longest-serving player. A local boy, he was born in Liverpool and graduated through the Liverpool Football Academy, which naturally made him a very popular figure among Liverpool fans. He speaks with a strong Liverpool accent, otherwise known as a 'Scouse' accent ('Scouser' is a term that people from Liverpool use to describe themselves).

The interview is from a podcast about successful people across all areas of culture and business. Jamie Carragher has been praised for his articulate answers in the interview, and therefore he is an excellent example of someone with a regional accent speaking with advanced vocabulary.

Watch the video in the link below, and answer the questions with as much information as possible. The interviewer speaks with a Standard English accent:
